Preparing for Ofsted: The Deep Dive into Reading

Event Summary	Are you ready for an Ofsted Inspection's Deep Dive into reading provision in your school? If not, this course may be just what you need to help you to prepare.
Event description	<p>Under the Ofsted inspection framework inspectors will carry out a number of 'deep dives' one of which will be into the teaching of reading. Key aspects of this are the teaching of phonics, provision for the lowest 20% and ensuring pupils have a wide range of opportunities through which their reading skills can be developed. The aim of this session is to ensure delegates are very clear about the expectations in regard to reading and to provide an opportunity for them to reflect upon their own practice.</p> <p>During the webinar we will take a detailed look at what the inspection framework says about reading and what good practice looks like in each of these areas. We will review the outcomes of recent inspections to identify the issues raised and the positive achievements highlighted. Delegates will have the opportunity to ask questions and to share their own ideas and experiences.</p>
Learning Outcomes	<p>Delegates will develop their knowledge and understanding of the Deep Dive into reading including outcomes of recent inspections</p> <p>They will have the opportunity to reflect on practice within their schools and identify areas for development.</p>
